After a free hug I prayed for a dear older lady  
on the heart rug, she was using a walker and had back pain - lower  
back, an enlarged left kidney - her only kidney and open to prayer for  
a second kidney. I released Holy Spirit and healing into her back  
laying on a hand with her permission, she said it felt hot and then after  
said her back pain had gone. She felt heat during prayer for the enlarged  
kidney and healing anointing also present - during prayer for a new right  
kidney. She was still free of back pain afterwards.

Destiny words -

had a word for

I got the word resilient

for her, how she was leading and stewarding her 3 children - bringing  
them up in the way they should go. She said 'resilient' <sup>word</sup> <sub>spoke</sub>  
& the rest spoken to her.  
to her.

And prayed for her and blessed her
